

POSITION ANNOUNCEMENT

ENTOMOLOGIST I

MISSISSIPPI DEPARTMENT OF AGRICULTURE & COMMERCE – BUREAU OF PLANT INDUSTRY

Job Title: Entomologist I

Counties: Smith, Clarke, Covington, Jasper, Jones, Wayne

Employer: Mississippi Department of Agriculture & Commerce – Bureau of Plant Industry

Annual Salary: \$29,000.00

DESCRIPTION

This is a full-time, 12-month position with paid vacation and fringe benefits. The individual will conduct field scientific, inspectional, and enforcement work within an assigned district in the control of pests and diseases. Duties include the implementation of procedures and policies for enforcing state and federal laws to regulate the registration, manufacture, distribution, sale, and application of pesticides and for regulating the spread, suppression, and control of harmful insects of beneficial plants and honey bees.

APPLICATION

Interested persons should complete application on the Mississippi State Personnel Board Website: www.mspb.ms.gov . If applicant has questions he/she can contact Laura Vollar at the Mississippi Department of Agriculture & Commerce – Bureau of Plant Industry (662) 325-5561.
